

INTERSEGMENTAL GENERAL EDUCATION (GE) TRANSFER CURRICULUM (IGETC)

For information on courses for your transfer major, visit https://assist.org

OBJECTIVE: Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) permits a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division general education courses to satisfy the university's general education requirements.

EXCEPTIONS: All campuses will accept IGETC except UC Berkeley's Haas School of Business and UC San Diego's Roosevelt and Revelle Colleges. Also, IGETC is not recommended for science, engineering, or other high unit majors at most campuses. These students should follow the general education pattern of the specific campus they plan to attend. Visit assist.org for more information.

CERTIFICATION: All areas of the IGETC should be certified prior to transfer. Partial certification may be awarded if all but two (2) courses in any area except AREA 1 and 2 are completed. Students are responsible for requesting IGETC certification by completing the "CSU and UC General Education Certification" form available in Counseling.

Each course must be completed with a grade of "C" or better.

LEGEND: C = Completed units IP = In Progress units N = Needed units H = Honors L = Lab F = Fall Class S = Spring Class
* = Cross-listed courses are the same course listed under different depts. Underlined courses satisfy VVC's Global Citizenship requirement

Table with 4 columns: Course/Requirement, C, IP, N. Rows include Area 1 - English Communication, Area 2 - Mathematical Concepts and Quantitative Reasoning, Area 3 - Arts and Humanities, and Group 3: One additional course from any of the above courses listed under 3A or 3B.
