- A minimum of 60 units of transferable courses must be completed to transfer as a junior.
- Credit is awarded for either an honors or non-honors course, not both. For example, students may receive credit for Math 105 or Math 105H, not both.
- A single course may not fulfill more than one general education requirement even though it may be listed in more than one area.

Certification: If not fully certified before transfer, students may be required to complete the general education pattern of the specific campus to which they transfer.

- VVC awards a student full or partial certification by subject area for completion of the lower-division general education transfer requirements.
