When a student is involved in an off-campus offense, police officers may assist with the investigation in cooperation with local, state, or federal law enforcement. Local law enforcement authorities routinely work and communicate with the Victor Valley Police Department on any serious incidents occurring on-campus or in the immediate neighborhood and business areas surrounding campus.

Students may live in the neighborhoods surrounding the campus. Although local law enforcement authorities have primary jurisdiction in all areas off campus, Victor Valley College Police Department officers can and do respond to student-related incidents that occur in close proximity to campus. VVC officers have direct radio communications with the city police, fire department, and ambulance services to facilitate rapid response in any emergency situation.
