Executive Director

Dear President Silverman,

It is my pleasure to inform you that a member of the faculty of Victor Valley College, Lional Nash, has been appointed by the Academic Senate for California Community Colleges to the Occupational Education Committee for the 2009-2010 academic year.

The Academic Senate allows for the reimbursement of the basic travel expenses, such as transportation and meals. However, financial support by your college will further enable the assigned committee members from your college to make more valuable contributions to the California Community College System, while also benefiting Victor Valley College and its district by providing them with intimate access to faculty with an especial wealth of information on state policy.

Congratulations to you and your district for having an esteemed faculty member appointed to this committee. The mission of the community colleges can only be advanced by all of us working collaboratively toward better opportunities and sound educational policies for our students, thereby aiding them to fulfill their potential. Your support for this effort is appreciated.

If you have any questions or concerns, please do not hesitate to contact me at the number below.

Cordially,

Jane Patton
President
