*CSU Breadth Area can be certified by a passing score on this test of 3, even though a higher score is required for the VVC course equivalency.

**AP Test equivalent course will not be used in lieu of published course prerequisites for Bio 211, 221 nor 231. An appropriate college course must be completed prior to admission into these advanced biology courses.

Notes: Universities to which students transfer will apply AP test credit according to their internal policies, which may be different from VVC's policy. Contact individual universities for their local AP credit policies. Visit VVC's Transfer Center or Counseling Department for IGETC or CSU certification information or to find out more about how AP test credit will apply towards these certification patterns, as well as the VVC general education pattern.

LOTE: These courses will apply towards certification in the Language Other Than English area on the IGETC.
