COMPLAINT PROCESS NOTICE

Most complaints, grievances or disciplinary matters should be resolved at the campus level. This is the quickest and most successful way of resolving issues involving a California Community College (CCC). You are encouraged to work through the campus complaint process first, before escalating issues to any of the following resources.

According to Administrative Procedure 3900 ([Complaint Procedure](#)), any student, employee, or community member may file a complaint about an experience, incident, or interaction that occurs on the Victor Valley College campus. The complaint should be filed with the Office of the Vice President, Instruction and Student Services. Complaint forms are available from any campus office and the college's web site www.vvc.edu/forms/Complaint_Form.pdf. For faculty and staff this complaint procedure does not supersede grievance, contractual or legal remedies.
